

April 13, 2012

Dear Parents,

Happy Easter!

Field trip to the St. Louis Science Center will be April 30, 2012. I still need some permission slips and the \$5.50 per student/\$6.00 per adult for the movie "Space Junk". We need to send in the money ahead of time.

Field trip to SFBRHS for Track & field day with area schools should happen April 23<sup>rd</sup>, the day after confirmation. Permission slips will be coming soon.

**Science:** The students are learning about minerals. Did they tell you about their salt crystals? Their test will be Friday Apr. 20<sup>th</sup>, or Tues. Apr. 24<sup>th</sup>. I will decide Monday or Tuesday how we are doing.

**English:** We are working on adjectives and descriptive writing. We've combined with art; they have a caricature to describe.

**Religion:** They continue with their studies for confirmation. After confirmation, they will have a follow up chapter and then we will go back to 7<sup>th</sup> grade religion about Christ's life.

**Confirmation:** Confirmation Mass begins at 2:30. Candidates and sponsors should arrive at 1:30. A detailed letter will go home on Wednesday.

May God Bless You,

Mrs. Gacich
