

Monday, March 16, 2020

Dear Parents,

I recognize the decision to close from March 18 – Apr 3 will have a significant impact upon the students, families, and staff members. I pray that this assertive action will support the health, safety, and well-being of our community. As we have witnessed the evolution of this public health crisis, we have prepared for the continuity of the educational services for the students as best we can.

Students will be sent home tomorrow with all of their books, workbooks, worksheets, etc. that they will need for the next few weeks. The teachers will communicate with you either through email or the remind app daily or weekly, I understand that some emails go to the spam/junk folder so please check those more often than normal. Please drop off finished work from March 18-20 by Monday, March 23 in the provided box in the back of church. Work from the week of March 23 should be dropped off by Monday, March 30 in church. Work from the week of March 30 to April 3 can be brought to school when hopefully we return on April 6! Mrs. Stamminger also has informed me that the website has been updated in some areas. Some teachers may post items on the individual grade levels, so maybe check that out as well.

This unexpected challenge before us will require extraordinary efforts on the part of our staff, parents, students, and community. I believe that our staff, parents, students, and community will make the very best of the situation. Thank you in advance for your patience, flexibility, and understanding throughout the coming weeks. Please do not hesitate to contact your child(rens) teacher(s) or myself with any questions or concerns.

Best regards,

Ms Smith
