Captain's Log: Stardate-February, 2012

Dear Friends of St. John the Baptist Catholic School,

The launch date has been set, (Saturday, February 18), and the countdown is underway, as we prepare for our Annual Dinner Dance, and Benefit Auction; our largest and most important fundraising event of the year.

“OUT OF THIS WORLD” is our theme this year, and our mission continues to be the pursuit of Bold New Frontiers for the students of St. John's.

Since its maiden voyage in the early 1800's, SJG School has striven to provide quality Catholic education that is firmly rooted in the merits of faith, family, and community. We take great pride in our academic astronauts as they “*grow and glow*” and “*go where no man has gone before*“. They are setting their futures into orbit as the “*shooting stars*” of tomorrow.

Education is a core investment within a community that is committed to virtuous prosperity for generations to come. But the price of this investment continues to skyrocket. Our auction is vital in ensuring a commitment to St. John's present students, and for those light years ahead.

“Highly Logical, Mr. Spock, but how can I help? “

- Attend the auction
- Donate an item or service
- Make a monetary donation / Sponsor a Galaxy

Your generous donation will go towards essentials such as curriculum supplies, enhanced technology programs, and assisting in closing the gap between tuition revenue and the actual cost of quality education. Your “*one small step*” is an integral part of this “*giant leap*” toward educating the planetary pioneers of tomorrow.

You or your business name will be proudly listed in our cosmic credits-aka; our event program, parish bulletin, and school website, where hundreds of space travelers can gratefully admire and put you on their “places to patronize” list. Your contribution is also approved by the Dark Side (the I.R.S.) and is Tax Deductible. We have included a donation participation form with all the details, and we promise to make the whole process a “*moonwalk*” in the park.

On behalf of our students, faculty, and the SJG School Community, we want to say thank you for your time and consideration. “May the Force be with you”.

With great appreciation  
From the Auction Coordinators,

Cathy & Dean Ley, parishioners
